*The Story of Seaway House*

*In 1860 the Mission for Seafarers Charity opened a chapel for seamen here. Often the priest would row his dinghy from the Quay to boats moored in the harbour to preach and to give support to the crew. In 1954 the chapel was decommissioned and converted into apartments until 1995 when the original Oriel restaurant opened.*

We prepare all dishes fresh to order, and we thank you for your patience during busy times
